Market in Baños

No matter if you choose an intensive - an interactive - or a standard course, you can book it with Sintaxis Spanish Language Centre for Quito or for Baños. The courses in Baños suit particularly well persons who dispose only of a short vacation and want to continue their travel rapidly. During the travel days you study in Quito, the rest in Baños. This allows you to study in two parts of Ecuador, knowing thus different regions of the country at the same time.

One of our teachers from Quito goes with you to Baños. He/she teaches you in the mornings and accompanies you in the afternoons for an excursion to the idyllic surroundings of Baños.
